WAKFU

Kwa familia yangu, walimu wangu, wanafunzi wangu na wote walioamini katika safari yangu ya elimu na ualimu.

Kwa wale walionifundisha kuwa elimu si kupata maarifa pekee, bali ni kuyatumia kujenga nafsi, kuisaidia jamii na kufungua njia kwa wengine.

Kitabu hiki ninakiweka wakfu hasa kwa wanafunzi wote wanaojifunza Kiswahili - wale wanaouliza maswali, wanaokosea na kujirekebisha, wanaothubutu kuzungumza na kuandika, na wanaoendelea kujifunza hata pale safari inapokuwa ngumu.

Nawatakia mjenge uwezo wa kutumia Kiswahili si kwa ajili ya mtihani pekee, bali kama lugha ya mawasiliano, fikra, ubunifu, utamaduni na maisha.

“Lugha hutupa sauti; elimu hutupa uwezo wa kuitumia sauti hiyo kujenga kesho.”
